

VOLUNTEER

Give a little, gain a lot

Your community needs you...

Why volunteer?

Whilst you'll want to make a real difference when you volunteer, it's not just about what you can do for others. Volunteers get a lot out of the experience too.

What will I gain?

Volunteering on our TLC Project is a great way to meet likeminded people who share the same enthusiasm for giving something back to the community. In addition there are lots of other benefits, such as:

- + gaining new skills or developing existing ones
- + the chance to try out something new
- + doing something useful and rewarding
- + gaining a sense of achievement
- + putting something back into the community
- + developing your personal skills and confidence
- + improve your job prospects & employability

As a volunteer you will gain important transferable skills in communication, team work, leadership, problem solving – the list is endless.

Who can volunteer?

Anyone can volunteer. We value diversity and encourage volunteers from all sections of the community.
